

TRIANGLE PATTERNS

You may have seen Pascal's Triangle before;

				1							
				1		1					
			1		2		1				
		1		3		3		1			
	1		4		6		4		1		
	1		5		10		10		5		1

Here is a different pattern;

									26
								17	27
				10		18		:	
			5	11		19		:	
		2	6	12		20		:	
1		3	7	13		21		:	
		4	8	14		22		:	
			9	15		23		:	
				16		24		:	
						25		:	

Write about all the patterns you can find in this new table.
